

Ride in the Beautiful Sierras!

Bring Your Horse To Stay With Us

High Country Equestrian Center is now offering daily or weekly boarding for your horses. Our property adjoins the beautiful Sierras with trails galore. We have covered pens and 24-hour care. Also available are wash racks, round pen, lighted arena. Your horses will be fed and stalls cleaned twice daily. Blanketing done by request and Vet and farrier services can be arranged if needed.

"Human" accommodations are available in town at reasonable rates. Enjoy the best of both worlds... A great riding vacation on your own horse without the work and worry of picketing or tying to the trailer. Enjoy dinner in town and a good nights sleep and we will have your horse fed and ready to go when you are. Maps are available of the local trails or bring your own!
